

Kingfishers News

Issue 14

December 2008

Note from Jayne

Apologises for the lack of Newsletters recently, I hope to return to sending these out on a monthly basis or as and when there is important information to be cascaded. I expect there will be lots of changes etc that you will need to know about in the New Year so please take the time to read these Newsletters, they are usually available on our website too, www.leedskingfishers.org.

Please note I have changed my mobile no so if anyone needs to contact me in future please use [07500 894473](tel:07500894473).

Also I'm afraid I've had computer problems in the last few days as some of you may already be aware from text messages I have sent out. The result of which was the deletion of all my email contacts so if you could send me a brief email (leedskingfishers@hotmail.co.uk) from your preferred address I can start to rebuild my list. Many thanks.

Raffles Prizes

Any donations of raffles prizes etc, however large or small would be very much appreciated for the Aquashow. We have found in the past that the more prizes we have the more people will spend on these kinds of things. Please slip an extra bottle or gift into your shopping or a pack of mince pies for our refreshments area. There will also be a list available when you arrive at training requesting items for the lovely Christmas Hamper that will be raffled on the day.

Dates for your Diaries

21/12/08 ~ LKSSC Aquashow 3.30-6pm.

Swimmers need to be at Knottingley Pool no later than 3pm with their hair already gelled please.

23/12/08 ~ 4/01/09 - NO TRAINING.

First session in New Year 6/01/09 at Kippax Pool 7-8pm.

Aqua Show - Grease

Practice is now underway for our annual Aquashow so please attend as many training sessions as possible between now and then if you're wanting to take part, especially Sundays. And don't forget to invite your family along to watch. This is your chance to show everyone what you have been doing during the year!

There will be refreshments served and raffles and tombola's to have a go at so the more people there on the day the better it will be.

We hope this will be a fun and enjoyable afternoon for everyone.

Training Session Times

Tuesday - 7-8pm - Kippax Pool - £2.10

Friday - 7-8.30pm - Knottingley - £2.50

Sunday - 4-6pm - Knottingley - £3.00

Reminder

After Competitions can all swimmers please remember to give back any club costume rather than taking them home to be washed. To try avoid different fading we like to wash all costumes together.

Top Tip ~ Bring a drink of water with you for during training sessions! It helps keep your mind, body and soul hydrated!

Music Registration

Any music used on poolside must first be registered, whether for a solo, duet or team routine and must be registered at all clubs where the music will be played. Jayne has forms if you require them.

Raffles Prizes

Any donations of raffles prizes etc, however large or small would be very much appreciated for the competition 12/10/08. We really need to raise funds to pay for the event and we have found in the past that the more prizes we have the more people will spend on these kinds of things. Please slip an extra bottle or gift into your shopping.
